We have reserved space for 4 SAGTA members who would like to attend but would not be able to do so without the visitorship. If you wish to receive such a sponsorship, please complete the relevant Visitorship form for members (Awards Tab). Please read the T & Cs. You will need to write a Best Practice Paper for JoGEA. You may request a mentor for this paper. You must also register for this conference.

The Organising Committee is also offering 2 sponsorships to teachers who are not necessarily SAGTA members and who have never been on a field conference of this nature. Please complete the relevant Visitorship form for non-members (Awards Tab). You will need to write a Best Practice Paper for JoGEA. You may request a mentor for this paper. You must also register for this conference.
