NPO #2017/035104/08

Website: [www.sagta.org.za](http://www.sagta.org.za)

Secretariat: [secretary@sagta.org.za](mailto:secretary@sagta.org.za)

NPO: 2017/035104/08

27 October 2024

Dear SAGTA member

The Southern African Geography Teachers' Association has in place a reciprocal membership programme with the American Association of Geographers (AAG). This agreement gives SAGTA members the opportunity to join the AAG. As a member of AAG you will, amongst other things, have access to their tremendous resources and you will be part of the global geographical society.

As from 1 October 2024 all paid-up members of SAGTA must activate membership of AAG (American Association of Geographers) as the database updates will no longer be done as it is very onerous. It is therefore up to every SAGTA member to join / renew membership of AAG at no cost. All paid-up members of SAGTA will be receiving a coupon code that must be used to activate this membership.

SAGTA will receive a monthly statement showing which SAGTA members have activated their AAG membership and therefore non-SAGTA members will not be able to benefit from membership of the AAG.

Please be on the lookout for the communication on this coupon code.

Regards

ZPL Shabalala: Chairperson
